Barangay Ungos Real, Quezon

Online Portfolio: <https://myonlineportfoliome.my.canva.site/adrian>

PROFESSIONAL EXPERIENCE

Planning Officer I/Local Economic Development and Investment Promotions Officer

Municipality of Real Quezon | July 2024 - Present

- Conducts review and approval of zoning and land use applications, including permits, variances, and conditional use requests.
- Performs field inspections to ensure compliance with zoning ordinances and building codes; investigates violations and enforces corrective actions.
- Supports planning functions by researching and developing monitoring and evaluation tools for Public-Private Partnership (PPP) policies.
- Provides IT support including basic troubleshooting, system development, and digital tools to streamline zoning administration and record-keeping processes.

Documenter/IT Support

Municipality of Real Quezon (Mayor's Office) | February 2023 - May 2024

- Photo Documentation: Produced high-quality visual documentation, ensuring accurate and complete records of the Mayor's engagements and activities.
- Social Media Management: Managed and curated content, graphic designs for the Mayor's and Municipality's Facebook pages, ensuring timely and relevant updates.
- IT Support: Troubleshoot and resolve issues related to Active Directory (AD), assign OU's, Objects, Policies.
- Develop and build IT Infrastructure setups for the development/upgrade of LGU offices, network setups and connection, telephone, printer and other output devices.

MIS | IT Specialist 1

STI College Calamba | Sept 2020 to December 2021

- Assisted in planning and enhancing network systems, including subnetting, IP addressing, and configuring firewalls, routers, switches, and hubs.
- Administered Active Directory (AD), handling user accounts, groups, OUs, and Group Policy Objects (GPOs).
- Handled Office 365 administration, including email, OneDrive, and SharePoint access and troubleshooting.
